IMPORTANT COVID UPDATE

EYE EMERGENCIES

Please note the process for eye emergencies has changed.

Instead of attending the eye casualty straightaway, please contact our advice

phoneline first as we may be able to advise you on your eye condition over the phone or refer you to see a specialist emergency optometrist closer to your home

**Between 8.30am and 4.30pm, please call
0116 2586273**
